Dr. Rajeshwara, N. A.

PRIVATE & CONFIDENTIAL

Dear Dr. Rajeshwara, N. A.,

LETTER OF RESEARCH FELLOW INVITATION

On behalf of INTI International University, we would like to extend this invitation to you as our Research Fellow from **01 April 2023 to 31 Dec 2025**. The aim of our research fellowship program is to enable researchers to pursue excellence in producing quality research outputs in their respective fields and to further enhance our research activities and standards.

As our Research Fellow, you can expect research funding for your projects in collaboration with our colleagues and financial support for research output disseminations and/or publications as well opportunities to supervise our postgraduate research activities. You will also be provided access to facilities of the University throughout your tenure.

Besides, there will be a faculty host working with you as you engage in our university activities such as involvement in research cluster of your interest, participation and organization of research symposium and academic conferences, provision of research consultancy services, development and review of academic or research programs, delivery of guest lectures, and etc.

We believe that you will have a productive and rewarding experience with us and that our university community will gain from the fellowship.

We look forward to welcoming you to INTI International University soon.

Yours sincerely,

(For and on behalf of **INTI INTERNATIONAL UNIVERSITY**)

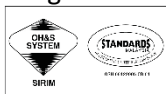

Joseph Lee, PhD
Vice - Chancellor

ACKNOWLEDGEMENT RECEIPT

KEYSTONE  SYMPOSIA™
on Molecular and Cellular Biology
Connecting the Scientific Community

Embassy of Ethiopia

July 3, 2019

Dear Consular / Visa Administrator

On behalf of Drs. Thierry Diagana, Philip Welkhoff and Flaminia Catteruccia, meeting organizers, please accept this invitation for Dr. Rajeshwara Achur to attend the Keystone Symposium: G1, The Malaria Endgame: Innovation in Therapeutics, Vector Control and Public Health Tools to be held at the Hilton Addis Ababa in Addis Ababa, Ethiopia on October 30 - November 2, 2019. Dr. Rajeshwara Achur was selected from 215 applications to receive this award. There were 54 awards granted from the 215 applications. There will be participants from all over the world that will attend this meeting.

Awards are based on the following criteria:

- Applicant is residing in or ultimately returning to a nation affected by the disease that is the focus of the meeting. Emphasis is placed on those from low and middle income nations.
- The application includes clear indication that the applicant's participation will have a broad impact on the applicant and his or her institution, e.g. initiation of new collaborations, teaching, etc.
- The application includes a clear indication that the applicant is both working in the area covered by the meeting and making a clinically or scientifically significant contribution to the area.
- Consideration is also given to diversity with regard to institutions and countries of origin.

The symposium will be held in Addis Ababa, Ethiopia. The hotel contact information:

Hilton Addis Ababa
Menelik II Avenue
PO Box 1164
Addis Ababa, Ethiopia
Phone: +251-11-517-0000
[Hotel Website](#)

Please see the detailed meeting program enclosed.

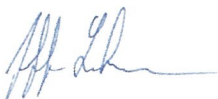

Dr. Rajeshwara Achur has been awarded with The Global Health Travel Award funded by the Bill & Melinda Gates Foundation. This funding allows Keystone Symposia to pay full costs of meeting registration, lodging accommodations, roundtrip airfare, and ground transportation in the host country. The cost for Dr. Rajeshwara Achur award is approximately \$2215 USD and is fully funded. As a recipient of this prestigious award it is the responsibility of the awardee to provide ground transportation from home to the airport and any costs associated with obtaining a visa.

This is a very prestigious and valuable experience not only to the award winners but to those they work with and the entire nation. Your cooperation and attention in helping to provide a visa is greatly appreciated.

Keystone Symposia has been conducting successful meetings on molecular and cellular biology for more than 40 years.

Please feel free to contact me with any questions or concerns that you may have, I will be glad to offer any assistance.

Best Regards,

Jeff Lehman
