Follow Up: Scheduling Upcoming Quarterly Joint Faculty Symposiums for the Remainder of 2022

Greetings, All,

I hope everyone had a great weekend! ~~It was wonderful to see everyone at our 1st Quarter Joint Faculty Symposium on Best Practices in Student Engagement this past Friday.~~ I think overall it was a great success, but we also learned some better ways to manage the technology and programming. There is always a learning curve and opportunity for continuous improvement.

I will be sending out soon a debrief email with the collective and collaborative ideas shared by faculty during the session.

We previously exchanged emails regarding setting up the upcoming remaining three quarterly faculty symposiums for Quarter 2, Quarter 3, and Quarter 4 well in advance so we all could proactively plan for these the remainder of the year. We were waiting until Friday's session was over so we could look to future sessions.

I have set up a Doodle Poll to ask for each of your input for desired dates for each of these upcoming sessions so we can schedule a time that works best for all. I only need one response from each institution. I am sharing below the links that will navigate you to the choices for each respective quarterly faculty symposium, Quarter 2 (June 2022), Quarter 3 (September 2022), and Quarter 4 (November 2022), respectively. Please indicate ALL dates that will work for you so I can try to match dates between all of us for the selected best date. I will communicate the final selected date when I have all responses back from each institution: Athens State, KSHCEC, VSKU, and Kuvempu University.

As previously discussed, we will plan on rotating each institution providing the faculty topic presentation at each quarterly symposium. Perhaps VSKU can host the 2nd Quarter Joint Faculty Symposium and Kuvempu University can host the 3rd Quarter Joint Faculty Symposium and Athens State will host the 4th Quarter Joint Faculty Symposium with faculty presenters/topics. If we want to swap these around, that is fine also. Just let me know. I think it would be good to decide on this now so we all have plenty of time to plan ahead accordingly.

Athens State can set up the Zoom links for all quarterly sessions, if amenable, unless the site hosting would prefer to also host the Zoom technology.

Let me know if you have any questions.

Follow Up: Scheduling Upcoming Quarterly Joint Faculty Symposiums for the Remainder of 2022

Greetings, All,

I hope everyone had a great weekend! *It was wonderful to see everyone at our 1st Quarter Joint Faculty Symposium on Best Practices in Student Engagement this past Friday.* I think overall it was a great success, but we also learned some better ways to manage the technology and programming. There is always a learning curve and opportunity for continuous improvement.

I will be sending out soon a debrief email with the collective and collaborative ideas shared by faculty during the session.

We previously exchanged emails regarding setting up the upcoming remaining three quarterly faculty symposiums for Quarter 2, Quarter 3, and Quarter 4 well in advance so we all could proactively plan for these the remainder of the year. We were waiting until Friday's session was over so we could look to future sessions.

I have set up a Doodle Poll to ask for each of your input for desired dates for each of these upcoming sessions so we can schedule a time that works best for all. I only need one response from each institution. I am sharing below the links that will navigate you to the choices for each respective quarterly faculty symposium, Quarter 2 (June 2022), Quarter 3 (September 2022), and Quarter 4 (November 2022), respectively. Please indicate ALL dates that will work for you so I can try to match dates between all of us for the selected best date. I will communicate the final selected date when I have all responses back from each institution: Athens State, KSHEC, VSKU, and Kuvempu University.

As previously discussed, we will plan on rotating each institution providing the faculty topic presentation at each quarterly symposium. Perhaps VSKU can host the 2nd Quarter Joint Faculty Symposium and Kuvempu University can host the 3rd Quarter Joint Faculty Symposium and Athens State will host the 4th Quarter Joint Faculty Symposium with faculty presenters/topics. If we want to swap these around, that is fine also. Just let me know. I think it would be good to decide on this now so we all have plenty of time to plan ahead accordingly.

Athens State can set up the Zoom links for all quarterly sessions, if amenable, unless the site hosting would prefer to also host the Zoom technology.

Let me know if you have any questions.

Again, please make sure to respond to each of the Doodle Polls as each quarterly session date options are offered accordingly.

Greetings Honorable Vice-Chancellor Veerebhadrappa,

I hope this note finds you well. I know that we are all wanting to get the MOU Virtual Signing Ceremony rescheduled. I have a few dates that we would like to share that are available and to see if any of these will work with your institutions schedule.

We are looking forward to scheduling our virtual MOU signing and getting our academic partnership in place. Collectively, our students from both Kuvempu University and Athens State University will benefit greatly from this relationship.

I have worked with President Way's administrative assistant and have the following dates that are available for an 8:00pm IST (India)/ 8:30am CST (USA) Virtual Signing event. I appreciate your help in confirming the selected dates with them based on what will work for all constituencies:

- February 7th
- February 8th
- February 21st
- February 22nd

We would also like to have confirmed by that time what we will share with our audiences how we will begin to deploy our academic partnership in terms of initiatives, programs and timing. It will be great to get our parents, students and communities excited about this partnership and the wonderful possibilities.

We are looking forward to confirming this date to conduct our virtual signing ceremony.

Kind Regards,

Kim
