

Details of the student pursuing Ph.D Degree

SL.No.	Name of the Student	Name of the Department /Institution	Registration Number	Date of Registration	Name of Guide	Full time/ Part time	Title of the thesis	Post Graduated From
1	Adithya Rao G. S.	Applied Botany	305	3/30/2016	Dr. Y.L. Krishnamurthy	Part time	TAXONOMIC STUDIES ON FLOWERING PLANTS OF SHIMVAMOGGA DISTRICT-THE PRESENT STATUS	Kuvempu University
2	Shashwathi H. S.	Applied Botany	678	1/28/2020	Dr. Y.L. Krishnamurthy	Full Time	STUDIES ON DIVERSITY, DISTRIBUTION AND MOLECULAR PHYLOGENY OF DIOSPYROS L. TREES IN SOME AREAS OF CENTRAL WESTERN GHATS,	Kuvempu University
3	Pushpavathi D.	Applied Botany	679	1/28/2020	Dr. Y.L. Krishnamurthy	Full Time	DIVERSITY AND CHARACTERIZATION OF ENDOLICHENIC FUNGI OF MACROLICHENS IN SHIVAMOGA DISTRICT KARNATAKA	Kuvempu University
4	Rakshitha H M Jain	Applied Botany	948	9/1/2021	Dr. Y.L. Krishnamurthy	Full Time	STUDIES ON DIVERSITY, DISTRIBUTION AND MOLECULAR PHYLOGENY OF FAMILY MENISPERMACEAE IN CENTRAL WESTERN GHATS	Kuvempu University
5	Nandini P M	Department of Applied Botany	127	2006	Dr. Raja Naika	Part time	Studies on the pathogen causing anthracnose disease of grapes.	University of Mysore
6	Narayana Swamy	Department of Applied Botany	126	1/28/2014	Dr. Raja Naika	Part time	Effect of different organic source of nutrients on yield and soil properties in groundnut.	Kuvempu University
7	Shwetha P R	Department of Applied Botany	315	3/30/2016	Dr. Raja Naika	Part time	A study on nutraceutical properties of polypore fungi of Western Ghats, Karnataka	Kuvempu University
8	Thejashree A B	Department of Applied Botany	681	12/28/2020	Dr. Raja Naika	Full time	Study on phytochemical and pharmacological properties of Psychotria dalzellii Hook.f. from the western Ghats region of	Kuvempu University
9	Mahesha N	Department of Applied Botany	612	3/27/2019	Dr. Shrishail	Part time	ETHNOBOTANICAL AND PHARMACOLOGICAL STUDIES OF SOME PLANT SPECIES IN CHITRADURGA DISTRICT, KARNATAKA,	Davanagere University
10	Venkatesh Jugal	Department of Applied Botany	47	8/18/2022	Dr. Shrishail	Full time	STUDIES ON DIVERSITY AND MOLECULAR PHYLOGENY OF NOTHOPEGIA SPP. IN WESTERN	Davanagere University
11	Pooja K P	Department of Applied Botany	48	8/18/2022	Dr. Shrishail	Full time	Green synthesis of silver nanoparticles on Maesa indica Roxb. A. DC., and its biological applications	University of Mysore
12	Kavya H	Department of Applied Botany	49	8/18/2022	Dr. Shrishail	Full time	Exploring the anti-diabetic potential of apicultural honey from diverse floral origins from Central Western Ghats,	Tumkur University
13	Mohammadyaseen I	Botany	616	3/27/2019	Dr. Nafeesa Begum	Full time	STUDIES ON THE RHIZOSPHERE AND RHIZOPLANE FUNGAL FLORA OF BAJRA AND PIGEON PEA IN NORTHERN DRY ZONE OF KARNATAKA, INDIA	Davanagere University
14	Pradeep Kumar	Botany	690	1/28/2020	Dr. Nafeesa Begum	Part time	SCREENING, HOST RANGE STUDIES AND CHARACTERIZATION OF BEGOMOVIRUS OF LUFFA ACUTANGULA IN SOUTH INDIA	GKVK Bengalore
