**Fulbright-Nehru Specialist Program - Institutional Award - Application  
Deadline: April 30, 2023**

The Fulbright Specialist program provides an opportunity to Indian institutions of higher learning to invite U.S. scholars and professionals to their campus for a period of 2-6 weeks, to draw on the expertise of U.S. scholars and professionals and develop linkages with American institutions.

USIEF pays for the international airfare and honorarium to the Specialist. The host institution in India is responsible for the cost of housing, meals, and any necessary, program-related, in-country transportation

Eligible Institutions: Host institutions should be involved in university-level teaching or training, the expansion of partnerships between universities and specialized institutions, and the promotion of international and cross-institutional cooperation. Institutions eligible to request a Fulbright Specialist include:

- Institutions/organizations of higher education approved and listed on the website of the Ministry of Education, Government of India, including institutions accredited by AICTE, UGC and other Apex Level Bodies of the Ministry (<https://www.education.gov.in/en/apex-level-bodies>)
- Medical institutions accredited by the Medical Council of India (MCI)

Eligible fields include Agriculture, American (U.S.) Studies, Anthropology, Archaeology, Biology Education, Business Administration, Chemistry Education, Communications and Journalism, Computer Science and Information Technology, Economics, Education,

Engineering Education, Environmental Science, Law, Library Science, Math Education, Peace and Conflict Resolution Studies, Physics Education, Political Science, Public Administration, Public/Global Health, Social Work, Sociology and Urban Planning.

Please see the following weblink for details: <https://usief.org.in/Fellowships/FIC-Fulbright-Specialist-Program.aspx>.

Please see the following weblinks for details: <https://usief.org.in/Fellowships/Fulbright-Kalam-Climate-Fellowship.aspx#01> and <https://usief.org.in/GeneralPrerequisites.aspx>.

• ***Fulbright-Kalam Climate Fellowships for Postdoctoral Research:***

These fellowships are for faculty and research scholars who have obtained a Ph.D. degree between July 17, 2019 and July 16, 2023, to pursue a postdoctoral research fellowship in the U.S. for 8 to 24 months. The applicant is required to upload his/her Ph.D. degree/provisional certificate on the online application.

Please see the following weblinks for details: <https://usief.org.in/Fellowships/Fulbright-Kalam-Postdoctoral-Research.aspx> and <https://usief.org.in/GeneralPrerequisites.aspx>.

• ***Fulbright-Kalam Climate Fellowships for Academic and Professional***

***Excellence:***

These fellowships are meant for faculty, professionals, and researchers, with at least five years of relevant professional experience, to teach, conduct research, or carry out a combination of teaching and research at a U.S university for 4 to 9 months.

Please see the following weblinks for details: <https://usief.org.in/Fellowships/Fulbright-Kalam-Academic-and-Professional-Excellence.aspx> and <https://usief.org.in/GeneralPrerequisites.aspx>.

---

**• 2023-2024 Fulbright Foreign Language Teaching Assistant (FLTA) Program – Application Deadline: August 10, 2023**

This is a nine-month, non-degree program which invites applications from early career English teachers teaching at college level or training to become a teacher of English, or a young professional in related fields (e.g., American Studies, American/English Literature, etc.). Selected candidates from India will teach Hindi or Urdu at select U.S. campuses. Fulbright FLTA participants can refine their teaching skills, increase their English language proficiency and extend their knowledge of the society and culture of the United States, while being teaching assistants for Hindi or Urdu to U.S. students thereby strengthening foreign language instruction at U.S. colleges and universities.

Please see the following weblinks for details: <https://usief.org.in/Fellowships/Foreign-Language-Teaching-Assistant-Program.aspx> and <https://usief.org.in/GeneralPrerequisites.aspx>

---

**• Fulbright-Nehru Visiting Chair Program at the University of Massachusetts Amherst – Field: Public Policy - Application Deadline: August 14, 2023**

This program is designed for faculty and research scholars employed in India for the purpose of teaching, lecturing, and/or conducting research at the University of Massachusetts Amherst for a semester. This fellowship is offered jointly by the University of Massachusetts (UMass Amherst) and the United States-India Educational Foundation (USIEF).

This program will be offered in the field of Public Policy.

Please see the following weblinks for details: <https://usief.org.in/Fellowships/FNVC.aspx> and <https://usief.org.in/GeneralPrerequisites.aspx>.

---

**• Fulbright-Nehru Visiting Chair Program at Emory University – Field: Multidisciplinary Approaches to Global Integration - Application Deadline: August 14, 2023**

This program is designed for faculty and research scholars employed in India for the purpose of teaching, lecturing, and/or conducting research at Emory University for a semester. This fellowship is offered jointly by the Halle Institute for Global Research at Emory University (Emory) and the United States-India Educational Foundation (USIEF).

This program will be offered to scholars engaged with Multidisciplinary Approaches to Global Integration.

Please see the following weblinks for details: <https://usief.org.in/Fellowships/Fulbright-Nehru-Visiting-Chair-Program-at-Emory-University.aspx> and <https://usief.org.in/GeneralPrerequisites.aspx>.

---

**• Fulbright-Nehru International Education Administrators Seminar - Application Deadline: August 14, 2023**

This is a two-week program in the U.S. in October/November 2024 for mid- to senior-level Indian college and university administrators who have at least two years of experience in international program development and management at their institutions. The applicant should have substantial responsibility for enhancing the international dimension of their institutions and must aim to build capacity of their faculty and students through international collaborations and exchange and innovative curricular design. This program will include visits to U.S. universities/colleges, panel discussions and networking events, giving them an opportunity to learn about curriculum development, globalization of education, teaching methodologies and faculty/student exchanges.

Please see the following weblinks for details: <https://usief.org.in/Fellowships/International-Education-Administrators-Seminar.aspx> and <https://usief.org.in/GeneralPrerequisites.aspx>.

---

**• Hubert H Humphrey Fellowships - Application process is likely to open in April 2023 with a submission deadline of June 15, 2023**

This prestigious 10-month fellowship for young and mid-career professionals, policy makers, planners, administrators, and managers in the government, public and private sectors, and NGOs for professional development in the following fields:

Agricultural and Rural Development; Communications/Journalism; Contagious and Infectious Diseases; Economic Development; Educational Administration, Planning and Policy; Finance and Banking; Higher Education Administration; HIV/AIDS Policy and Prevention; Human Resource Management; International Religious Freedom; Law and

Human Rights; Natural Resources, Environmental Policy, and Climate Change; Public Health Policy and Management; Public Policy Analysis and Public Administration; Substance Abuse Education, Treatment and Prevention; Teaching of English as a Foreign Language (Teacher Training or Curriculum Development); Technology Policy and Management; Trafficking in Persons, Policy and Prevention; Urban and Regional Planning. In case of 'Teaching of English as a Foreign Language,' applications are invited from curriculum specialists and teacher trainers who work in teacher training institutes, public or private organizations concerned with English language teaching and development.

For application process and guidelines, visit <https://www.usief.org.in/Fellowships/Hubert-H-Humphrey-Fellowship-Program.aspx> and <https://www.usief.org.in/GeneralPrerequisites.aspx>.

**About United States India Educational Foundation ([www.usief.org.in](http://www.usief.org.in)):**

United States – India Educational Foundation (USIEF) was established in 1950 to promote mutual understanding between the people of United States and India through the U.S. Government's flagship Fulbright Program for educational and cultural exchange. The Fulbright-Nehru and Fulbright-Kalam Fellowships for India are jointly funded by the Governments of United States and India. USIEF administers the Fulbright-Nehru and other Fulbright fellowships for American and Indian students, faculty and professionals; and organizes programs around visiting U.S. Fulbright scholars and Indian Fulbright alumni. USIEF's EducationUSA Centers provide accurate, comprehensive and current information to Indian students on U.S. higher education.
