<u>FOR THE IMMEDIATE ATTENTION OF THE FACULTY OF ENGLISH IN THE RESPECTIVE COLLEGES</u>

Dear Sir/Madam,

Greetings to all of you from the Department of Post Graduate Studies and Research in English.   I hope, wish and pray that all of you are safe and sound. In these difficult times, we as teachers have to go on doing our work and adapt ourselves to the changing teaching learning scenario. Online classes are a challenge to us and to our students. We are battling great odds. However work must continue.

This is to bring to your notice that the question paper of the **Optional English Paper VII – Indian Writing in English and Translation** has been revised on request from a section of teachers. A pattern of the same is attached for your information.

Kindly note the following changes and circulate it amongst teachers and students.
